## HOW TO ORDER

### PLEASE READ CAREFULLY

**STOCK**—All bulbs true to name and free from disease. We are building our business from satisfied customers. Satisfaction guaranteed. All bulbs offered subject to prior sale.

**TIME**—Order early. Shipments sent after March 1, except to distant points which can be sent by express at any time.

**TERMS**—Net Cash before shipment, or 25% deposit holds order for later shipment, balance C.O.D.

**SHIPMENT**—All orders over \$1.00 delivered postpaid to all points in the United States. Under \$1.00 add 25¢ for postage. Foreign orders should include \$1.00 for 100 Large, 500 Medium, or 1,000 Small.

**SUBSTITUTIONS**—We do not substitute unless directed to do so. We have large stocks, but kindly indicate second choice.

**BULBLETS**—Size of packages varies with cost of variety. Germination not guaranteed.

**PRICES**—These are only for cash.—Compare them with any reliable growers. It is impossible to produce better bulbs anywhere than in the Heart of the Red River Valley, the greatest potato country in the world.

**RATES AND SIZES**—Two bulbs at 10 rate, twenty-five at 100 rate, 1,000 at 9 times 100 price. Large Bulbs are one and one-quarter inches or larger. Medium bulbs are three-quarters to one and one-quarter inches. Small bulbs one-quarter to three-quarter inches.

**EXTRAS**—Extra bulbs will be sent with all orders. 10% to 25% according to size of order. They will all be good ones and extras will be sent for names of those who grow 500 or more Glads.

**COMMERCIAL GROWERS**—Submit your want list for prices.

## SPECIAL NOTICE

This list comprises the Newest Varieties that are consistently winning prizes at all the larger shows. To those who are undecided as to what varieties to order or which will do best in this locality, we suggest that you let us make up a collection for you. Extra value assortments of large fine bulbs at \$3.00, \$5.00 and \$10.00 per 100. All named. Your greatest thrill will come from an assortment of Mairs at \$15.00 and \$25.00 per 100. You will be pleased with the quality of bulbs and extras sent for trial. Be sure to tell us how many Glads you grow and about how many varieties.

WE GUARANTEE SATISFACTION

It is possible in most instances to supply planting stock of the above by the 100 or 1,000. State varieties and quantities you require. We can offer these cheaper than any other grower. Special collections at special prices.

## VISITORS WELCOME

You are cordially invited to see our wonderful display of Gladiolus. Also to inspect the largest orchard in the most northern and coldest part of the United States. One-quarter mile north of the State University.
